

### **My Commit History (OOJS Final Project)**

78a782c (Made a README.md file)

5650dbc (Tried to add a new soundtrack. Did not work, main background stopped working)

31fba8c (Added sound effect for wrong letter insertion. Currently sound effect is not responding)

7296370 (Made the background music work for the game)

a777574 (Made a new JavaScript file to house the soundtrack encoding)

e3477db (Merging updated main to my local file)

ebf837f (Added soundtracks for the project)

23c40cf (Made a constructor JavaScript file. Added it to the script folder)
